

COVID-19 UPDATE FOR COMHALTAS

JANUARY 6TH 2022

Comhaltas Guidelines and Communications distributed to Comhaltas units are based on Government Guidelines in the Republic of Ireland. All units should first and foremost adhere to the guidelines issued by the jurisdiction they are governed by.

As we return to Comhaltas classes after the Christmas break we would ask all units and members to continue to exercise caution and implement recommended guidelines including washing of hands, sanitising stations, wearing of facemasks, social distancing where possible, cleaning schedules, ventilation etc.

In line with Government and HSE guidelines please continue to carry out risk assessments. This will help to determine if the activity is safe to take place and will also help to identify areas that need to be addressed to continue to ensure the safety of our members and the general public.
